

DONATION REQUEST

Thank you for your interest in connecting with us. Bull Street Taco is committed to helping our community thrive and proud to support others who do so in a variety of ways. While we are honored to receive many charitable donation requests, we appreciate your understanding that they may exceed our available resources at times.

Please mail this completed form to us at least six weeks prior to your event. Include a cover letter on official letterhead describing your event and organization. In order to be considered for a donation, the organization must be recognized as tax exempt under Section 501(c)(3) of the Internal Revenue Code. If your donation is approved, we will follow up via email or phone.
